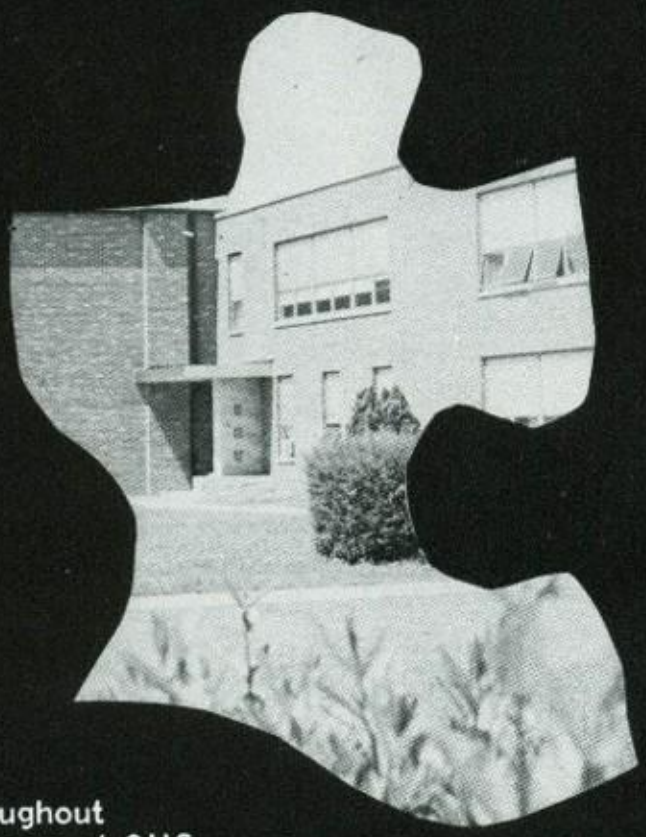
ECHO OF TIME

SEVENTY

The Pieces Of Our School Days

As we fitted the interlocking pieces of our school days together, we left our fingerprints on these pages which recall those moments. The moments which are only memories - the moments which we will all fondly recall when we reflect on our years at OHS.

The Pieces Of Our School Days



Throughout
the years at OHS,

we stopped along the way

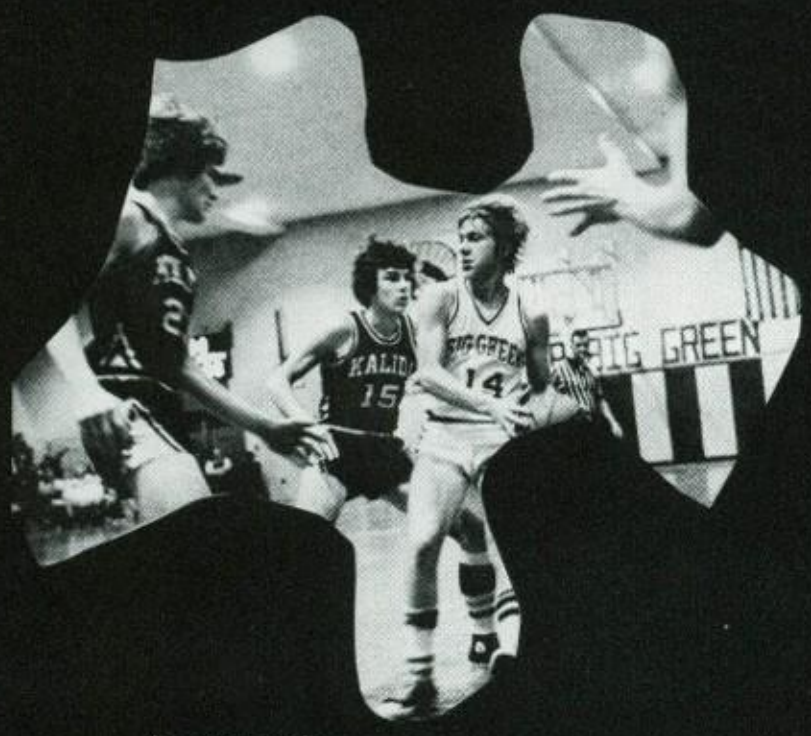
to experiment

to point the way

to appreciate beauty

to reflect

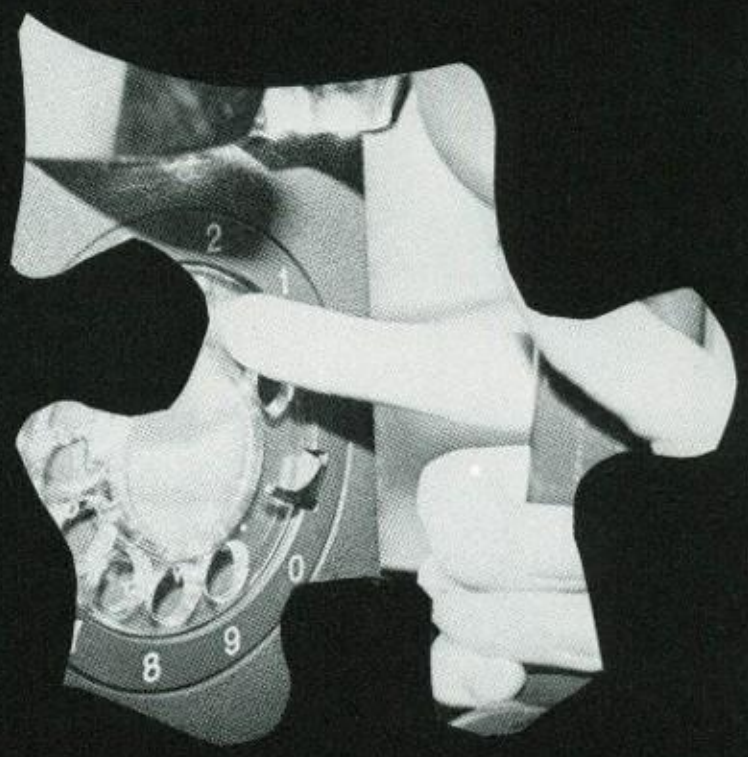
Shape The Puzzles Of Our Lifes



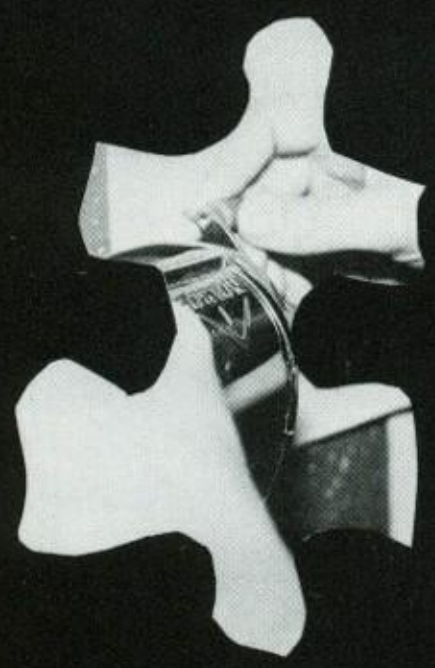
to compete

to play

to listen



and to talk



to bother with meager tasks

etcetera etcetera etcetera . . .

FACING GRADUATION
Faces of old and faces of new,
People we know and people we knew,
Growing together, then drifting apart,
Always an ending, and now a new start.
At graduation we always grow nearer,
And all of our friends seem much dearer.
And as we say our final goodbye,
One last embrace and one more cry,
A "Keep in touch" and a "Promise I will"
A "remember when," but better still,
A place in my heart, you'll always stay
This is what's said as we go our own way.

Ha! Caught ya stealing the TP.

It's too hot to study!

Student Council

This year's student council has spent time trying to organize different activities and plans for the students at OHS for this year. Sports programs were organized and put together by the student council, and distributed at the basketball games. The purpose of these programs was to recognize the talent and accomplishments in all the sports.

The student council carried on the tradition of having the annual field day for the third year in a row. The various athletic events provided entertainment for all involved.

Through the cooperation of all the members of the student council, we were able to complete some worthwhile projects.

The 1976-77 basketball season for OHS was one of ups and downs. Much of that was no doubt due to the teams lack of varsity playing experience. The highlight of the season was the teams fine tournament play and capturing for the second straight year the District Runner-Up trophy. This performance allowed the Big Green to finish with a season record of 15-9.

Leadership on the team was provided by senior co-captains Karl Wehri and Duane Honigford. Karl Wehri and Keith Miller tied for the Most Valuable Player award. Joe Kemper led the team with a scoring average of 12.6 points per game while Karl Wehri was the leading rebounder (8 per game). Keith Miller and Roger Turnwald tied for best foul shooting percentage with an excellent 85%. Roger Hohlbein led the team in assists (4.2 per game) plus won the 110% award and Most Improved Player award.

I would like to thank the team and all who participated in our basketball program for their cooperation this season. Everyone contributed in carrying on the fine basketball tradition at O.H.S.

FROM OUR START . . .

This has to be one of the best teams in the seven year history of varsity track. We won the Ayersville Invitational, County Meet, and made our best showing in the Blade Relays. We equaled our best showing in the Sectional by finishing second.

We had outstanding individuals and also team balance. Fifteen boys placed in the County Meet and placed thirteen in the Sectional. Showing it was a team effort.

I would like to thank the five Seniors, closing our four years of track, for providing leadership to our talented group of underclassmen.

Awards

The 1976-77 schoolyear was an outstanding year for sports at OHS. The year began with the Cross Country team taking the County League Championship and finished fifth in the State Meet. The Golf team also stroked their way to a County League trophy. Both the Boy's and Girl's Basketball teams performed well in tournament play, with both finishing District Runner-up. The Girl's team also took the County League Championship. Coach Fischer was named Coach of the Year and Sue Honigford was named Player of the Year. The Boy's Track team did well this year. They repeated their winning of the County League as they did last year. They finished District Runner-up for the first time in the history of OHS Track. Three boys also participated in the State Track Meet. They were Kent Byrne, Mike Heitmeyer, and Brent Devitt. The Girl's team did fairly well, with one major acheivement; that being sending their first representative to the State Track Meet. That representative was Sue Honigford. Congratulations for a job well done.

Speaking with the State bound X-Country team.

The Pieces Of Our School Days

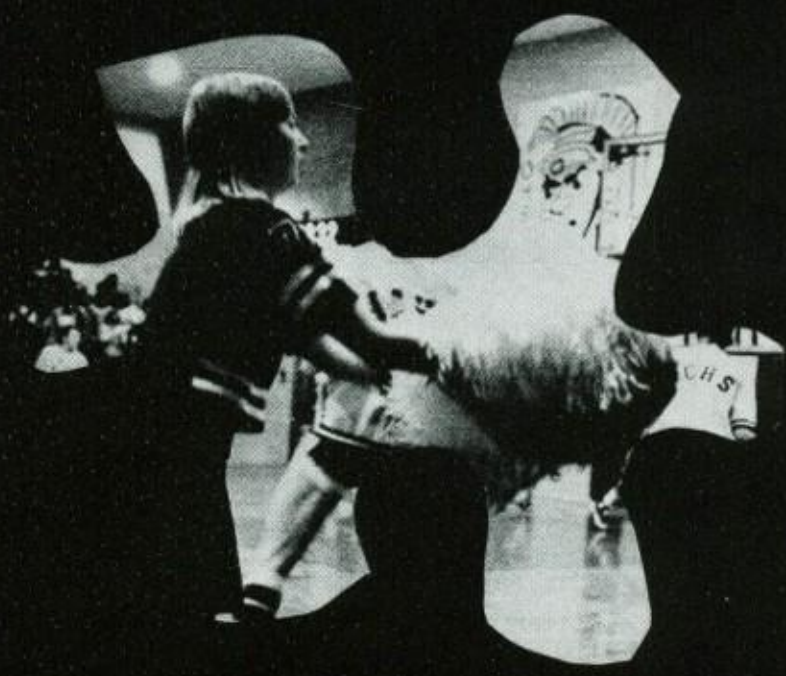
The moments we shared together

opened the doors to the memories

of Halloween parades

of funny dressing seniors

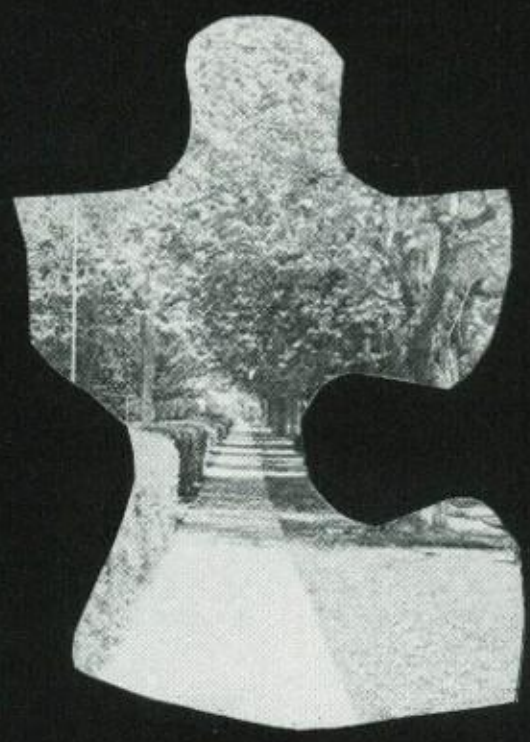
of Spring dances



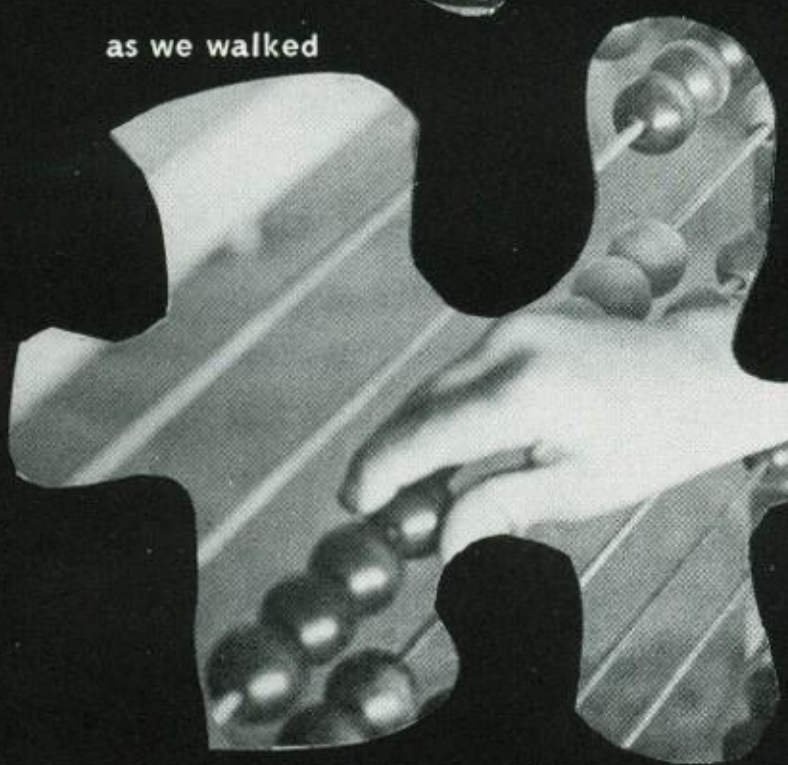
and of spirited cheers at the games

Shape The Puzzles Of Our Lives

as we walked

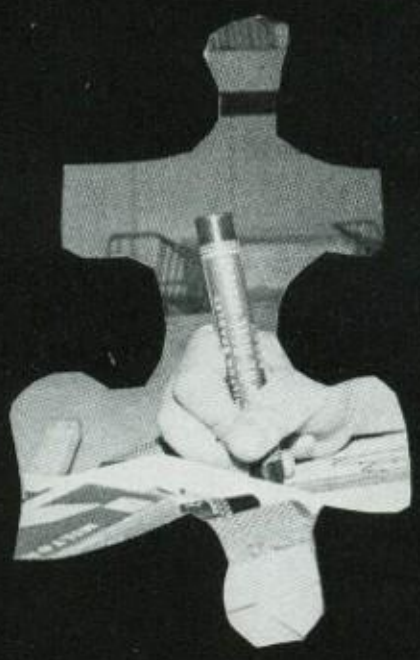


the path which lead

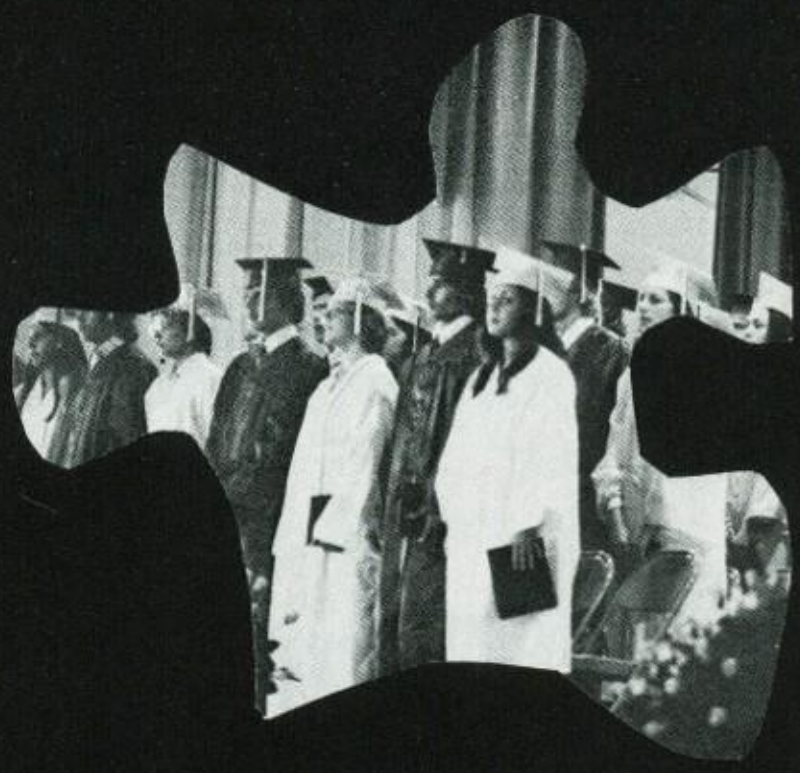


from counting

to calculators



from crayons and papers



to caps and gowns.

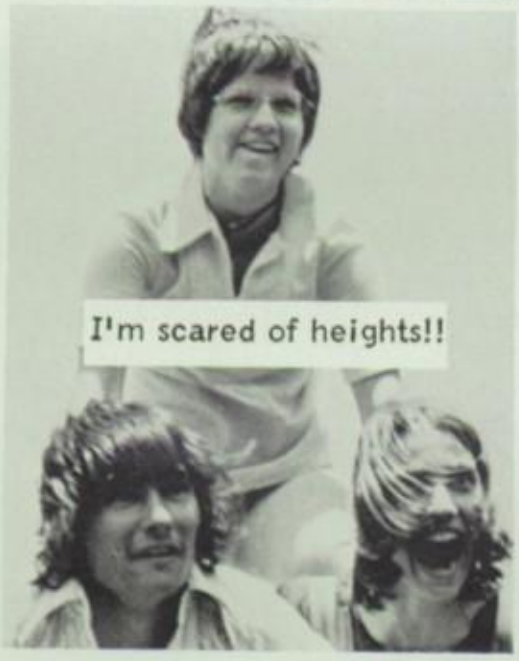
Did I ever work for this!!

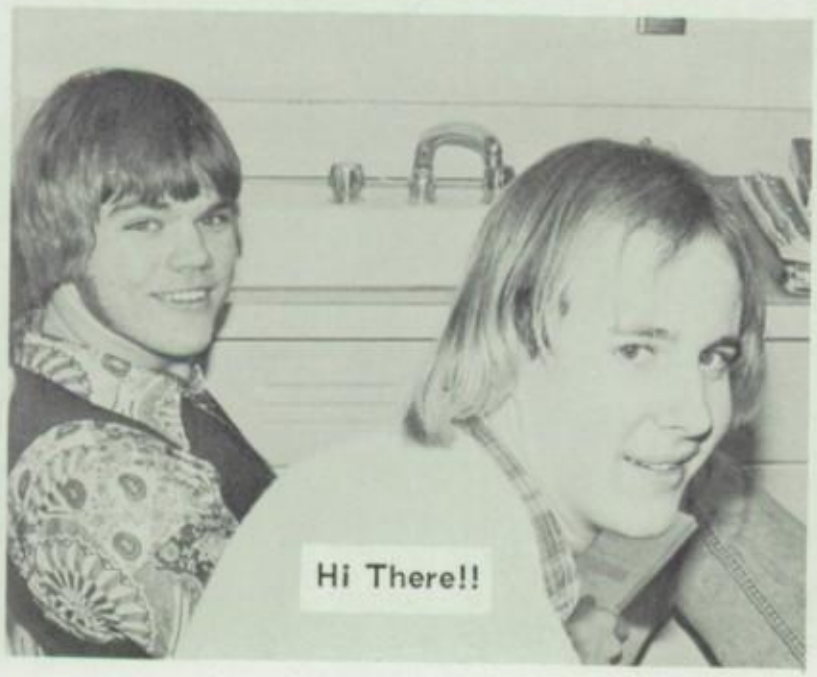
Temper! Temper!

Spike it!!



I'm scared of heights!!

Mm Mm Good!!!!



Hi There!!

Hot doggin' it down!!

The Puzzle Of Our Lifes

THE END

The last piece of our school days is being interlocked into the total puzzle of our lifes. The moments and memories which shaped this puzzle will also shape our futures. As we interlock the pieces to our future lifes' puzzle, we will remember our experiences at OHS.
